

Code of Conduct for ALL LCLC Events

Parents/Guardians/Spectators Code of Conduct

The following behavior is REQUIRED of ALL Parents/Guardians and Spectators:

1. Encourage good sportsmanship for all players, coaches, and officials.
2. Place the wellbeing of the players and team ahead of any personal competitiveness.
3. Support the coaches and officials' decisions to encourage a positive experience.
4. Refrain from using negative, coarse or threatening comments (or actions) toward participants, coaches, referees, and spectators).
5. Keep the sporting environment free from profanity, drugs, tobacco, vaping, and alcohol.
6. Let the coaches coach, the players play, and the fans cheer.
7. Understand your player's level of participation and practice impacts game participation and playing time.
8. Understand that LCLC is a **competitive league** and playing time varies as LCLC coaches are directed to field the best team for each tournament game.
9. Do not dwell on a win or loss. If conversations are desired regarding club activities/roster spots/concerns/etc., allow for a proper location and potentially a cool down period. Right after a game, with the team present, may not be the appropriate time or place; therefore, all players/parents/guardians are required to follow the *24-Hour Rule* and/or *Parent_Player Concern Process*.
10. Only the players and coaches are allowed in the "team box." Parent volunteers may be allowed at the scorer's table based upon tournament rules.
11. Clean up after yourself before leaving any event (water bottles, trash, gear, etc.).
12. Ensure any friends, family members, or spectators present with you abide by the outlined Code of Conduct.
13. Understand anyone may be asked to leave the sideline (temporarily or permanently) if his/her behavior is disruptive or detrimental to LCLC.
